Birth to 3 Program (Illinois)

Last Modified on 10/22/2022 10:18 am CDT

Birth to Three Program Fields Available in Ad hoc Query Wizard | Birth to 3 Program Fields

Classic View: Student Information > Program Participation > Birth to 3 Program

Search Terms: Birth to 3 Program

The Birth to 3 Program tool collects information on students who are receiving services related to Birth to 3 Years programming. This is different from the Birth to 3 Demographic tool, which collects caregiver data. Birth to 3 Program collects data related to the program itself.

Records cannot overlap. If a new record is created, an error message is returned indicating the first record must be ended.

Birth to 3 Program

Birth to Three Program Fields Available in Ad hoc Query Wizard

Use the fields available in the **Student > Learner > State Programs > Birth to 3** folder to create ad hoc reports. Select the Student Data Type from the Filter Designer options.

Birth to 3 Program Ad hoc Fields
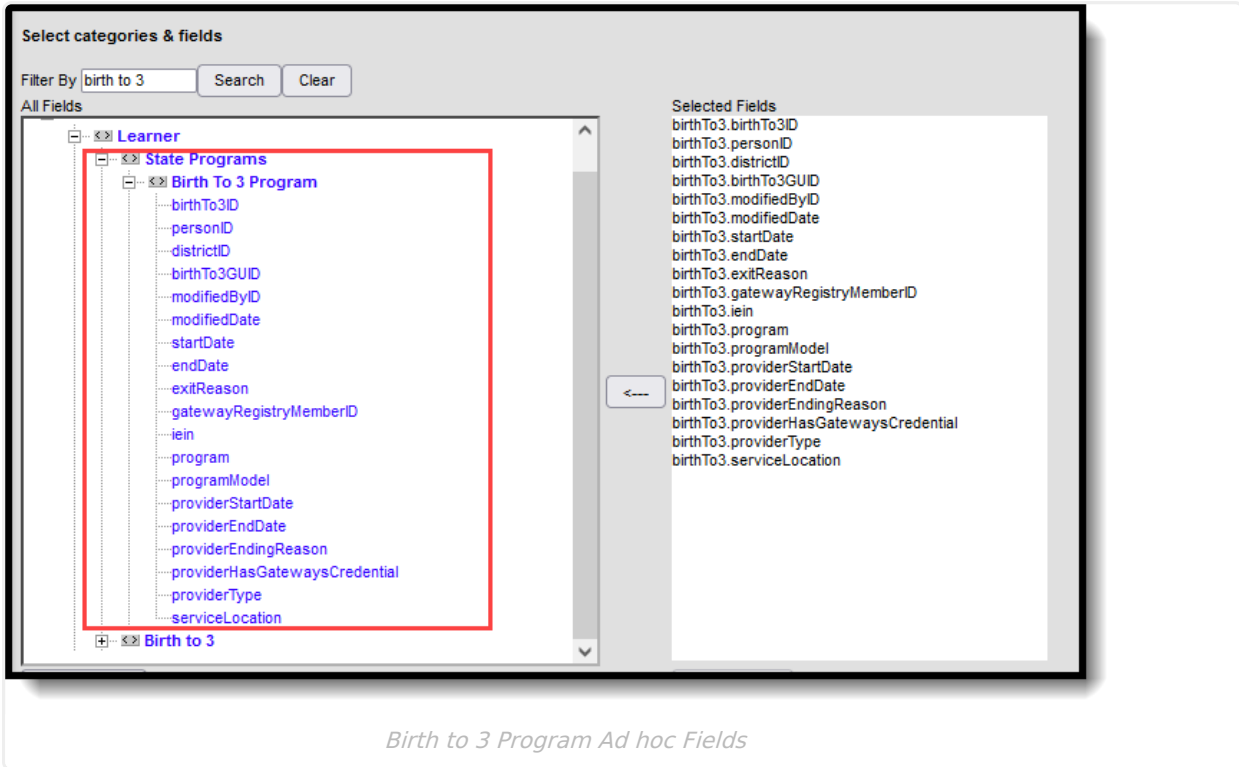

Birth to 3 Program Fields

Program Start Date

Indicates the first date the student began participation in the Birth to 3 Program. This date must be on or after the enrollment start date.

▸ Click here to expand...

Program End Date

Indicates the last date the student participated in the Birth to 3 Program. This date must be on or before the enrollment exit date, and cannot be before the Program Start Date.

▸ Click here to expand...

Reason for Ending Program

Indicates the reason the student ended participation in the program.

▶ Click here to expand...

Service Location

Identify the type of program/services this child receives.

▶ Click here to expand...

Program

Indicates the Program in which the student is participating.

▶ Click here to expand...

Program Model

All programs implementing home visiting must indicate an evidence-based program model.

▶ Click here to expand...

IEIN

Lists the Illinois Educator Identifying Number (IEIN) - the teacher's certificate number, which is required to track teachers in the state of Illinois. This field is limited to six digits.

▶ Click here to expand...

Provider Type

Identifies the specific role of the provider.

▶ Click here to expand...

Provider Start Date

Indicates the first date the provider began working with the selected student. This date must be equal to the Program Start Date.

▶ Click here to expand...

Provider End Date

Indicates the last date the provider worked with the student.

▶ Click here to expand...

Gateway Registry Member ID

Indicates the identification number of the provider to track education, credentials, and all Registry trainings attended in the Registry database by the provider.

▶ Click here to expand...

Provider has Gateways Credential

Indicates whether the provider has a Gateways Credential. Options are 01: Yes or 02: No.

Gateways Credentials are symbols of an individual's professional achievement that show their knowledge, skills, and experience in caring for and educating children. Credentials are awarded and recognized by the Illinois Department of Human Services (IDHS) Bureau of Child Care and Development.
