

# Indiana Ed-Fi v2.4/3.1 - Student Alternative Education Program Associations Resource Preferences

Last Modified on 10/22/2022 10:19 am CDT

**Classic View:** System Administration > Ed-Fi

**Search Terms:** Ed-Fi

The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to set the resource preferences for the Student Alternative Education Program Association resource. If the Configure or Edit buttons do not display, then the resource does not need to be mapped and the toggle button can be used to turn the resource on or off.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly. Any item not mapped will not report to Ed-Fi.

1. Select the appropriate **Ed-Fi Code** for the Program Eligibility Descriptors.

Program Eligibility	
Attribute Dictionary	System Administration > Custom > Attribute Dictionary > AltProgram > Program Eligibility
UI Location	Student Information > Program Participation > State Programs > Alternative Education > Program Eligibility

### Student Alternative Education Program Associations (SY 21-22)
