Grading Tasks are items to which teachers post grades for report cards, transcripts, midterms and/or eligibility reports. Examples of grading tasks include quarter grade, mid-term progress grade and semester grade. If the school is on trimester terms, the grading tasks might be trimester grade or final grade.

See the core [Grading Task Setup](#) article for additional information related to Grading Tasks.

In order to post grades and to include grading tasks on state reports, a Code is required, as well as an indication that the grading task is state reported.

Grading Task Detail Editor

Code

Indicates a code used in state reports. This is a text only field, so any value is accepted. The entered number posts to the [Transcript](#) in the Task/Standard Code field.

The Course Grading Tasks tool lists the grading items the teachers must score as part of the grading process. These tasks include mid-term grades, quarter grades, semester grades, etc.

The screenshot shows a form titled "Course Grading Task Detail". It contains several fields and options:

- *Grading Task:** Semester Grade (dropdown menu)
- *Score Group:** Diploma Plus Score Group (dropdown menu)
- Term GPA:** Text input field
- Credit:** Text input field
- Credit Type:** Dropdown menu
- Credit Overflow Override:** Dropdown menu
- Term Mask:** Four checkboxes for Term 1, Term 2, Term 3, and Term 4, all of which are checked.
- Post-only Grading Task:** A checkbox that is currently unchecked.

Below the form is the caption: *Course Grading Task Detail*

Score Group

The Score Group determines the points and/or letter grades that will be used when scoring the grading task.

This field **MUST** contain a value.
