KS Collection System

This tool will extract data to complete the KS State-defined collection reporting extract. Enter the same data filter start and end date to take a snapshot file, otherwise using the data filter start and end dates will let you extract records that have had an enrollment start or end within that range. The Reporting Start/End dates are for display on the extract and pass-through directly. Choose the State Format to get the file in the state defined file format, otherwise choose one of the several testing/debugging formats. For Assessment Information Type, you may select one or multiple grade by state code for the extract.
