

ILPA Progress Options (Kentucky)

Last Modified on 10/22/2022 10:22 am CDT

Classic Path: System Administration > ILPA > Progress Options

Search Terms: ILPA Progress Options

The ILPA tools are used only in Kentucky.

The **Progress Options** allow for custom options on the student's progress report forms. Districts can add as many options as they would like.

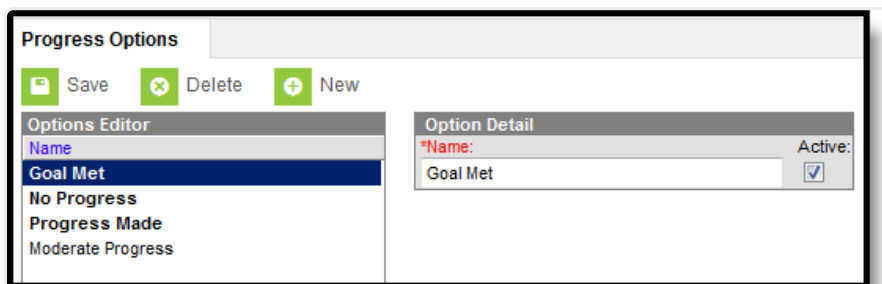

Image 1: ILPA Progress Options

Add Progress Options

1. Select the **New** icon. An **Option Detail** editor displays.
2. Enter the **Name** of the Progress Option.
3. Mark the option as **Active** to make it available in Progress Reports.
4. Click the **Save** icon when finished. The new Progress Option is listed in the Options Editor.

Progress Options are then selected on the Progress Report document when defining the student's progress toward the annual goal.

Progress Report Editor

Goals

The student's goal is to improve performance in a specific course, based on the following objectives.

Objectives

Establish a measurable benchmark for improving class performance.

Improve communication with the teacher by establishing recurring meetings to discuss progress.

Progress toward the annual goal

Goal Met

Comments

Meeting set up between student and teacher on Tuesdays after school.
