In order to ensure data properly reports, be sure to enter values in all of the following fields.

Be aware that data is required in fields other than those described below. The fields described below are the fields that MUST have entries in order for any student data to report. For all other inquiries, see the [Academic Programs](#) article.

To ensure the appropriate data is reported, be sure to mark the **Use Core CTE** checkbox on the [CTE Report](#) editor. This ensures that data is reported from the Career Tech Programs tool.

State Reported

For data to report, users MUST mark the **State Reported** checkbox.
