

Bridge Reporting (Maryland)

Last Modified on 10/22/2022 10:23 am CDT

Field Descriptions

Classic View: [Student Information](#) > [Academic Planning](#) > [Bridge Reporting](#)

Search Term: [Bridge Reporting](#)

The Bridge Reporting tab collects data needed by the [HSDC](#) and [Student Record Card 3](#) extracts.

The screenshot shows the 'Bridge Reporting' interface. At the top, there is a breadcrumb trail: 'Student > Academic Planning > Bridge Reporting'. Below this, there are three buttons: 'New Bridge Project' (with a plus icon), 'Save' (with a floppy disk icon), and 'Delete' (with an X icon). The main area contains a table titled 'Bridge Projects' with the following columns: 'Status Date', 'Status Time', 'Projects Eligible', 'Projects Status', and 'Subject Code'. The table is currently empty. Below the table, there is a form for adding a new project. The form includes:

- *Status Date: A date picker showing '04/09/2020'.
- *Status Time: A time picker showing '12:03 PM'.
- Subject Code: A dropdown menu.
- Projects Eligible: A dropdown menu.
- Projects Status: A dropdown menu.

Bridge Reporting Example
