The Instruction Mode tool allows districts to manage student instruction modes and pass this information to the State via the SIF StudentEnrollment object.

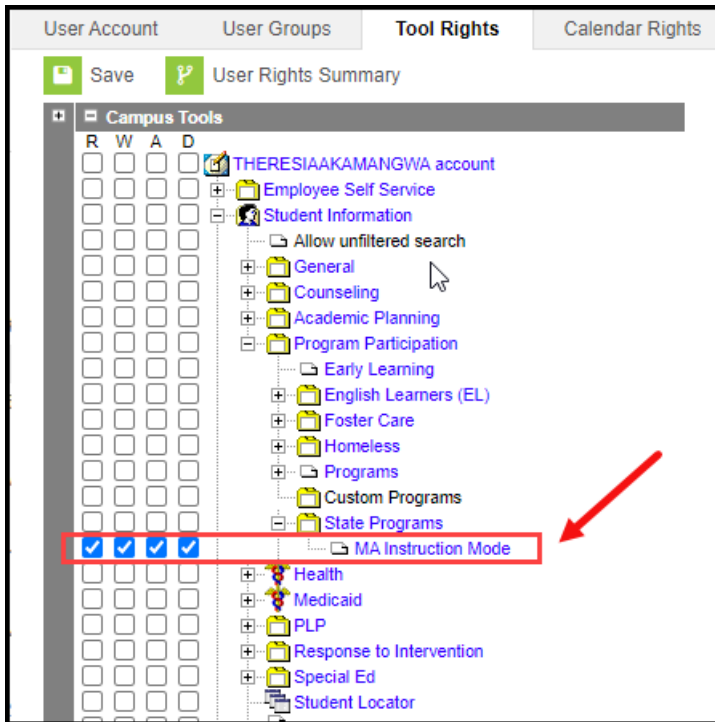

The screenshot shows the 'Instruction Mode' tool interface. At the top, there is a title 'Instruction Mode' with a star icon and a breadcrumb trail: 'Student Information > State Programs > Instruction Mode'. Below the title is a toolbar with four icons: a green plus sign for 'New', a green floppy disk for 'Save', a green 'X' for 'Delete', and a green printer for 'Print'. The main area is divided into two sections. The first section, 'Instruction Mode Summary', contains a table with three columns: 'Start Date', 'End Date', and 'Instruction Mode'. The table is currently empty. The second section, 'Instruction Mode Detail', contains two date pickers labeled '\*Start Date' and 'End Date', and a dropdown menu labeled '\*Instruction Mode' with the value '01: In-Person' selected. At the bottom of the detail section, there is a label 'District Defined Elements'.

## Tool Rights

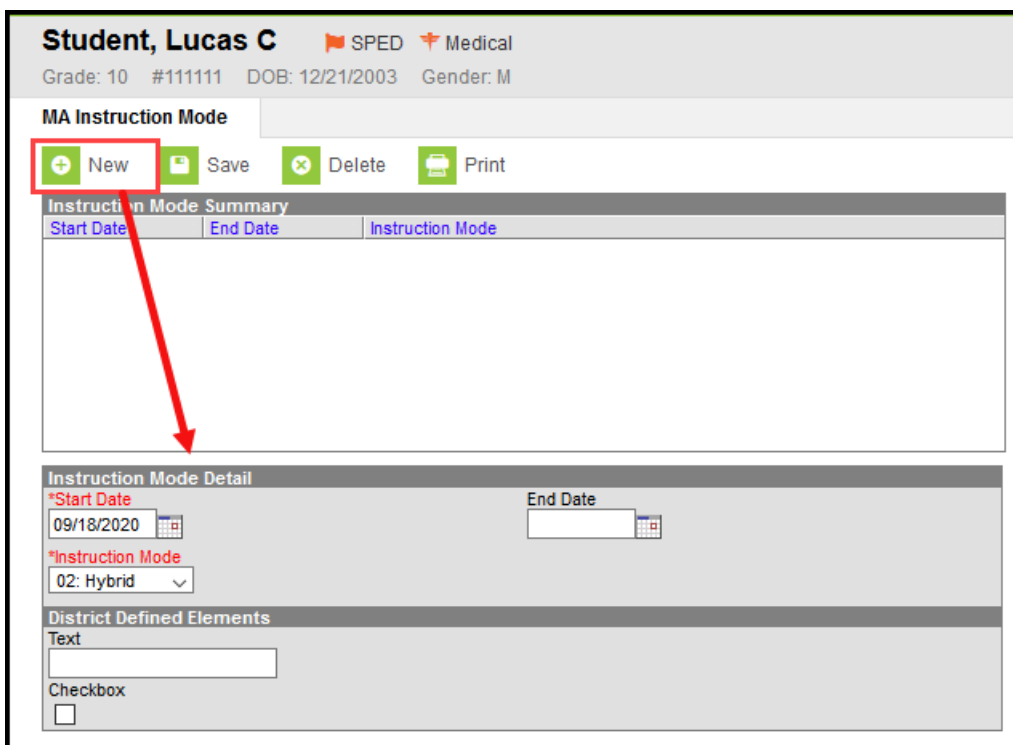

**Classic View:** [System Administration](#) > [User Security](#) > [Users](#) > [Tool Rights](#)

Users must have at least **R**(ead) tool rights to view MA Instruction Mode records, **W**(rite) tool rights to update existing records, and **A**(dd) tool rights to create new records.

## Add the Instruction Mode for a Student

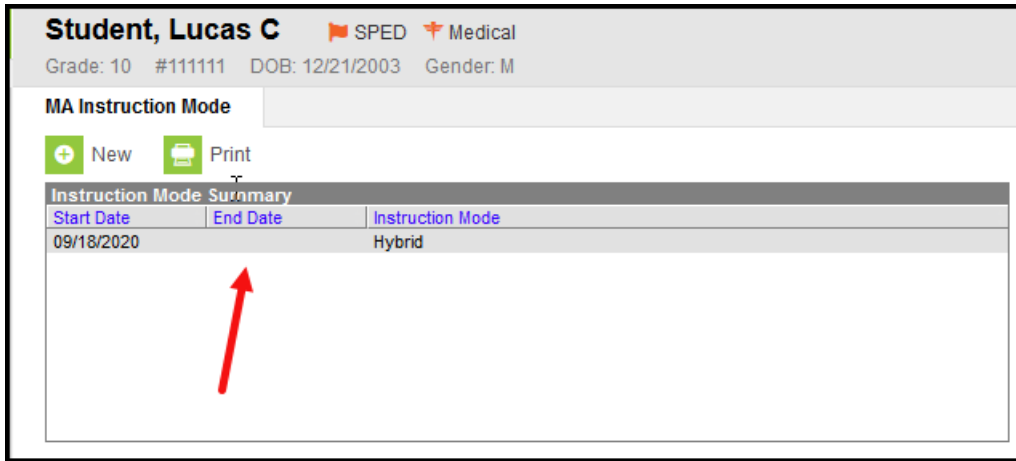

You can add an Instruction Mode record for a student via the MA Instruction Mode tool.

To create an Instruction Mode record:

1. Navigate to Student Information > Program Participation > State Programs > MA Instruction Mode
2. Click **New**.
3. Enter the **Start Date** and **Instruction Mode**.
4. Click **Save**

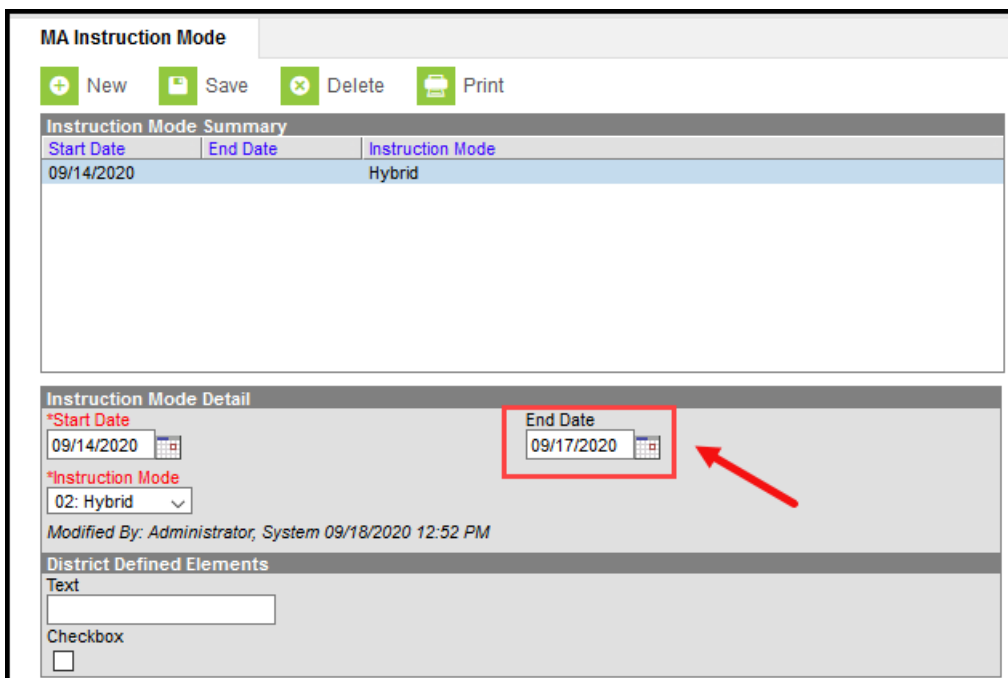

A new Instruction Mode record now exists for the student within Infinite Campus.

## Adjust the Instruction Mode for an Individual Student

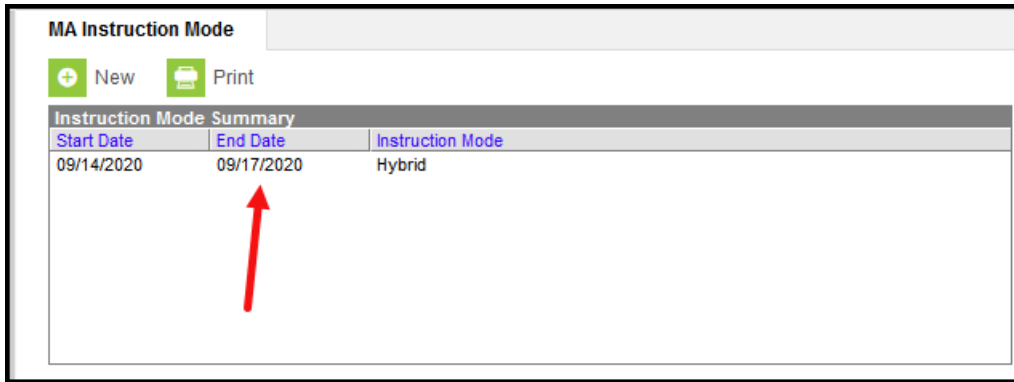

To adjust the Instruction Mode record for an individual student via the MA Instruction Mode tool, you should first end date the current record and then create a new Instruction Mode record.

### Step 1. End Date the Existing Instruction Mode Record

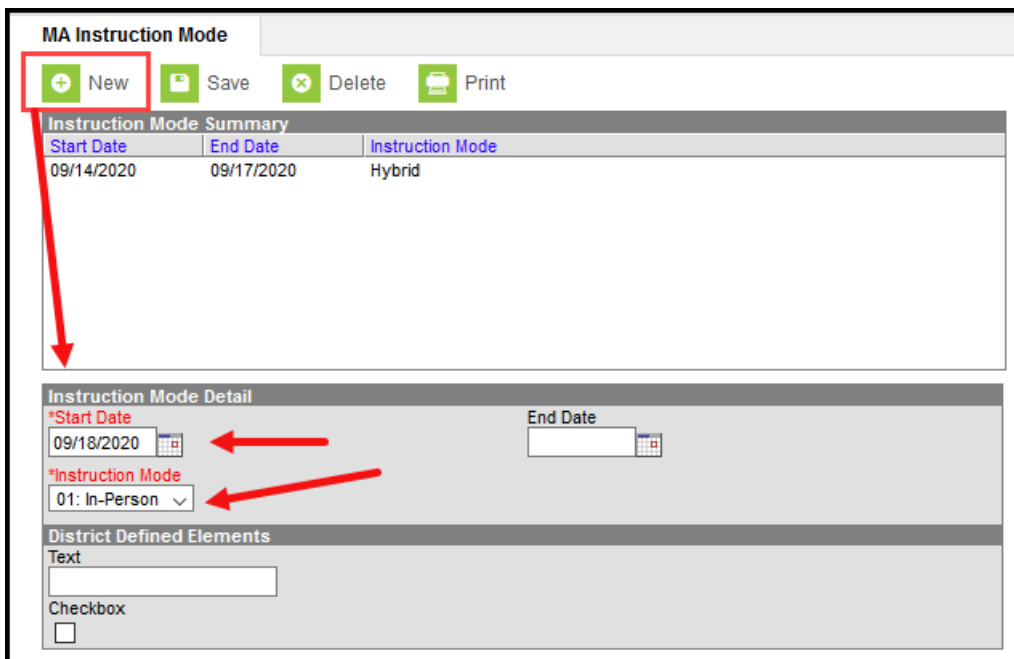

The first step is to End Date the existing Instruction Mode record:

1. Navigate to Student Information > Program Participation > State Programs > MA Instruction Mode
2. Select the existing Instruction Mode record.
3. Enter an **End Date**.
4. Click **Save**

## Step 2. Add a New Instruction Mode Record

Now that the old record is End Dated, you should now add a new Instruction Mode record:

1. Click **New**.
2. Enter the **Start Date** and **Instruction Mode**.
3. Click **Save**

A new Instruction Mode record now exists for the student within Infinite Campus.
