PATH: *MI State Reporting > 10/30 Extracts*

The 10/30 Extracts report all students who have an unexcused absence on the Count Date, have attended school prior to the Count Date, and will return to school within ten school days.

Students must be enrolled and scheduled for classes; however, students do not have to attend the school prior to the Count Date to be included in the extracts.

All schedule structures into which a student is enrolled will be reported.
