Object Triggering Logic

This table describes logic for triggering syncing of this object.

Action	Trigger
Post	<p>When a new enrollment is saved for a student, and there is an Early Learning record saved with either the Screener or Screener Exit Status <> NULL (i.e., a "reportable Early Learning record"), which also overlaps the enrollment record.</p> <ul style="list-style-type: none"> The Early Childhood Screening Program record must have either a NULL Schools droplist value, or one that matches the school the enrollment is tied to. When a student has two enrollments in the same School, Calendar & Schedule Structure with the same start date, report from the enrollment service type in the following order: <ol style="list-style-type: none"> P: Primary Enrollment S: Partial/Ancillary N: Special Ed Services When an enrollment with a higher priority is deleted, the enrollment with lower priority will post a new record. Do not send records if the Calendar Exclude check box is checked in the calendar the student is enrolled. Do not send records if the School Exclude check box is checked in the calendar the student is enrolled. Do not send a record if the No Show check box is checked. When a new reportable Early Learning record is saved for a student, and there is a reportable enrollment record that overlaps the reportable Early Learning record. When the reportable Early Learning record's Start Date or End Date are updated so that they newly overlap a reportable enrollment record. When the Enrollment record's Start Date or End Date are updated so that they newly longer overlap a reportable Early Learning record. When an existing Early Learning record, where both "Screener" and "Screener Exit Status" were previously NULL, and one or both of them are now <> NULL. When the Early Childhood Screening Program record's Schools droplist was previously tied to a different school, but the Schools droplist is updated to point to a new school that the student has a reportable enrollment with. Do not send records if the Calendar Grade Level "Exclude from State Reporting" checkbox is selected for the grade level that the student's enrollment is tied to.
Put	<p>When the start date for an enrollment is changed.</p> <ul style="list-style-type: none"> When an enrollment with a lower priority is changed, data will not send.
