Classic View: System Administration > Ed-Fi

Search Terms: Ed-Fi

This entity represents an individual who performs specified activities for any public or private education institution or agency that provides instructional and/or support services to students or staff at the early childhood level through high school completion.

In MN, Campus does not post Staffs records; those are posted by MDE to the ODS. The Staffs records are only referenced within the Staff Section Associations resource, via the staffUniqueid, which is pulled from the staff person's Ed-Fi ID value.
