PATH: [MN State Reporting](#) > [SERVS Extract](#) > [Student Graduation Requirements](#)

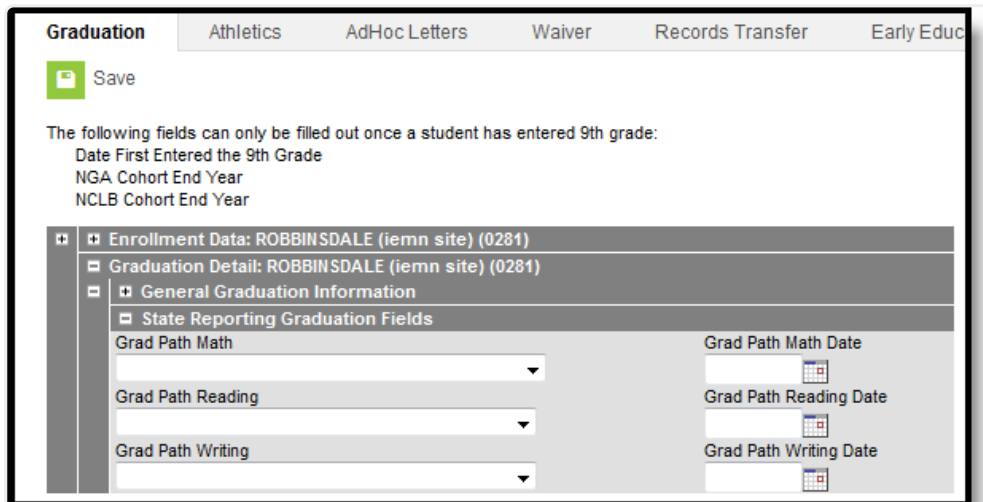

The Student Graduation Requirements Record is used for submitting data on students who have been granted a “Pass at Individual Rate” status under the GRAD graduation rule (i.e. those students who entered grade 8 in 2005-2006 or later). Graduation Requirements records should not be submitted for students under the BST graduation rule. Only students who were granted a “Pass at Individual Rate” status under the GRAD graduation rule should be submitted in this file.

Report Logic

The following business rules are used:

- If Grad Path Math selection is not equal to null, the student will be reported.
- If Grad Path Reading selection is not equal to null, the student will be reported
- If Grad Path Writing selection is not equal to null, the student will be reported.

A student may have up to three records reported, one for Grad Path Math, Grad Path Reading and Grad Path Writing. These options are selected on the student's [Graduation](#) tab.
