## Report Logic

The report looks for locked plan information that includes a Test Accommodations editor or an Assessment Determination editor that lists the accommodations made to the student. Historical plan types (IEP 08, etc.) and current plan types are used in locating the students to include on the report.

## Report Editor

The following fields are available for entry:

Field	Description
-------	-------------

Field	Description
<b>Start Date</b>	First date used to report accommodation information. This is a required entry. Dates are entered in <i>mmddyy</i> format or can be chosen by selecting dates from the calendar icon.
<b>End Date</b>	Last date used to report accommodation information. This is a required entry. Dates are entered in <i>mmddyy</i> format or can be chosen by selecting dates from the calendar icon.
<b>Students</b>	Lists those who have a locked plan within the school year selected in the Campus toolbar. This list includes the student's name, student number and grade level.
<b>Sort By</b>	The report can be printed alphabetically by Student Name, Case Manager Name or numerically by Grade level.
<b>Print in HTML Format</b>	When marked, the report prints in HTML format, instead of the standard PDF format.

## Generate the Test Accommodations Report

1. Enter the **Date Range** for the report.
2. Select which **Students** to include in the report.
3. Select the desired **Sort By** option.
4. If the report should print in HTML format, mark the **Print in HTML Format** checkbox.
5. Click the **Generate Report** button. The report displays in a new browser window in the selected format.
