Search Terms: Early Childhood

The Early Childhood tab lists student information related to programs designed to improve the health, social-emotional and cognitive outcomes for all students from birth through third grade, using the federal guidelines.

Multiple Early Childhood records can be entered for a student at one time.

The state of Minnesota has not defined fields that are specific to the state. Districts may use the Early Childhood module to track data if desired. For more information on these fields, see the [Early Learning](#) article.
