The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

The current print format of the Evaluation is the **MO ESR** format. Evaluation formats are selected in [Eval Types](#).

Missouri Evaluation Editors

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation summary report, including the documentation of eligibility, is given to the student's parents by the school district.

Evaluation Editors

The following table lists the editors available on the student's Evaluation, a Description of what the editor is used for and any special considerations and instructions for using the editor.

Editor	Description	Special Considerations and Instructions
Evaluation Header	The Evaluation Header editor is used to define the Evaluation type and corresponding dates.	This editor must be saved before continuing on to other editors.

Editor	Description	Special Considerations and Instructions
