[General Enrollment Information](#) | [State Reporting Fields](#) | [Special Education Fields](#)

**Classic View:** Student Information > General > Enrollments

**Search Terms:** Enrollments

The Enrollments tool displays all current and historical occurrences of a student's enrollment in a district.

By default, enrollment records are listed first by grade level, then by enrollment start date. To reorder the list of enrollments, click the blue hyperlinked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date or End Date.

See the core [Enrollments](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

## General Enrollment Information

The General Enrollment Information editor describes the calendar, schedule, grade, start/end date and reason for the creation or ending of the enrollment record.

The screenshot shows the 'General Enrollment Information' form with the following fields and values:
