- Information entered into this tool syncs to the State when Saved.

State Reported Data Detail

Field	Description
Date <i>Required</i>	The date the record was created. This displays as the Recorded Date on the List Screen.
Reason for Change <i>Required</i>	The reason the student special ed data record needs to be modified. The reason selected determines which fields are available to fill out.
Special Ed Setting	The student's special ed educational environment.

Field	Description
Start Date <i>Required when Special Ed Setting is selected</i>	The first day the student was in the selected Special Ed Setting.
End Date	The last day the student was in the selected Special Ed Setting.
Exit Reason	The reason the student exited special ed services.
Exit Date <i>Required if Exit Reason is populated</i>	The date the student exited special ed services.
