Nebraska Ed-Fi Data v3.1 - Restraint Event

Last Modified on 10/22/2022 10:29 am CDT

Classic View: System Administration > Ed-Fi

Search Terms: Ed-Fi

This event entity represents actions taken by an education organization after a discipline incident where a student is restrained in a response. This is specifically for CRDC reporting.

This resource is no longer reporting data as of Campus.2052.

Object Triggering Logic

This table describes logic for triggering syncing of this object.

Action	Trigger
Post	When a Behavior Response is saved with a valid response type (Physical, Mechanical, Seclusion). - If multiple responses on the same event, report all. - Do not report if student is marked as state exclude. - Do not report if calendar is marked as excluded. - Do not report if gradeLevel is marked as excluded.
Put	If response type is edited, put the new type.
Delete	If response is removed from Campus.

Object Data Elements
