Report Logic

To report, the following Standard Code must be entered on the student's Start Status or End Status:

Standard Code	Description	Status
01	New Enrollment	Start Status
02	Re-Enrollment	Start Status
03	Withdrawn	End Status

Students are NOT included if:

- their enrollment record is marked as No Show;
- their Grade Level of enrollment is marked as State Exclude; or
- their Calendar of enrollment is marked as State Exclude.

Calendars marked as State Exclude are not included.

Option	Description
Snapshot Date & End Date	<p>These dates are used to report students, in the selected school year, according to the following logic:</p> <ul style="list-style-type: none"> • Students actively enrolled on the Snapshot Date and on or before the End Date. • New enrollments occurring after the Snapshot Date and on or before the End Date. • Students re-enrolled after the Snapshot Date and on or before the End Date. • Students withdrawn after the Snapshot Date and on or before the End Date. <p>Enter a date by typing in mmddyy format or by using the calendar icon to choose a date.</p>
Report Type	<p>The following options are available:</p> <ul style="list-style-type: none"> • School Summary Provides totals by school. • Count Day Enrollment Detail Students actively enrolled on the Snapshot Date and on or before the End Date. • New Enrollment Detail New enrollments occurring after the Snapshot Date and on or before the End Date. • Re-Enrollment Detail Students re-enrolled after the Snapshot Date and on or before the End Date. • Withdrawal Detail Students withdrawn after the Snapshot Date and on or before the End Date.
Format	Determines the format for the report. Use the State Format (CSV) when submitting the final data. Use HTML for data review and testing.
District-Wide	Marking this checkbox automatically selects all schools in the active school year.
Ad Hoc Filter	Selection includes only those students included in the filter.
Calendar	Selected calendar indicates which students will be included in the report. Multiple calendars can be selected at one time; it is recommended that all calendars in a district not be selected as this will increase the amount of time it takes to generate the extract. The calendar chosen in the Campus toolbar is already selected.
Generate Report	Displays the selected calendar information and extract immediately for review and printing in the selected format.

Option	Description
Submit to Batch	Delays the extract generation to a designated time. See the Batch Queue article for more information.
