PATH: *NV State Reporting > ADE Audit*

This report is only available for State Edition users.

The ADE Audit Report allows State Edition users to audit ADE report data. The report provides enrollment totals and differences aligned with the ADE reports.

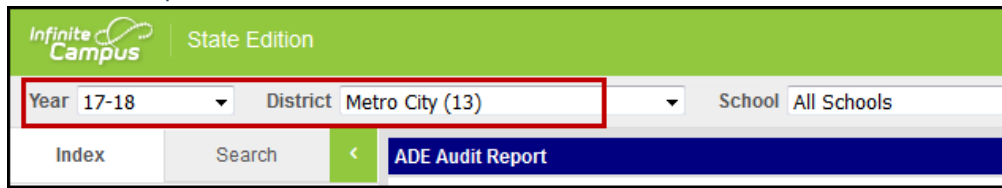

The screenshot shows the 'ADE Audit Report Editor' interface. On the left is a navigation sidebar with categories like 'NV State Reporting', 'Data Integrity Tools', and 'System Administration'. The main area is titled 'ADE Audit Report' and contains instructions: 'Report available at the state level to be used for auditing of ADE report data. Select a district from the toolbar to generate applicable calendars.' Below this are 'Report Options' (Format: CSV, Filter By: Calendar, District, School) and 'Select Calendars' (Which calendar(s) would you like to include in the report? active year, list by school, list by year). A dropdown menu shows a list of schools for the '16-17' year, including '16-17 100 Acad Of Exc ES', '16-17 100 Acad Of Exc MS', '16-17 Adams ES', '16-17 Adcock ES', '16-17 Adv Tech Acad HS', '16-17 Agassi ES', '16-17 Agassi HS', '16-17 Agassi MS', '16-17 Alamo ES', and '16-17 Allen ES'.
