Demographics

The Census module tracks every person entry in Infinite Campus - parents, staff, students, emergency contacts, doctors, etc. Demographic data is used throughout Campus, utilizing historic details of each person. Some fields in the Census module are unique to each state. Other fields in the Census module do not require unique, state-specific data. However, many of these fields are required and data entry in these fields is necessary. For more information on these fields, see the Census article.

Person Information Editor

Infinite Campus

Birth Country

The Birth Country is the country listed on the student's birth certificate during initial enrollment. Please refer to the International Organization of Standards directory for more information on country codes.

Click here to expand...

Date Entered US

Indicates the date the student entered the United States.

Click here to expand...

Date Entered US School

Indicates the date on which the student enrolled in a US School.

Click here to expand...

Date Entered State School

This field is used only for district-tracking purposes and is not used in state reporting.

Click here to expand...

First Language

The First Language field is used only for district-tracking purposes and is not used in state reporting. Please refer to the International Organization of Standards directory for more information on language codes.

Click here to expand...

Home Language

The Home Language field allows a district to record the language spoken in the student's home, as determined by the student's home language survey. Please refer to the International Organization of Standards directory for more information on language codes.

Click here to expand...

Language with Friends

The Student Primary Language allows a district to record the language spoken by the student, as determined by the student's home language survey. Please refer to the International Organization

of Standards directory for more information on language codes.
