Grade Level Detail Editor

State Grade Level Code

The Grade Level Code indicates the current grade level of the student.

Be sure that grade levels are properly mapped to the proper state codes.

Schedule Structure

Schedule Structures provide a means of allowing different groups of students (by grade level, by different terms, by different day layout) to have a unique layout for their learning day.

Do **NOT** create multiple Schedule Structures within a calendar. Instead, create multiple, unique calendars for each Schedule Structure.

Periods

The Periods tool lists the names and the times of the periods meeting throughout a school day. The editor displays the period information based on the school selected in the Campus toolbar.

▶ [Click here to expand...](#)

Days

The Days tool provides a calendar type of view for all of the days in the school calendar, determined by the year, school and calendar selected in the Campus toolbar. The Days tool also displays which Period Schedules are assigned to a particular day, if any special events are assigned to a day, or if a particular day is not recording attendance, is not an instruction day, or is not a school day. Please see the [Days](#) article for more information.

Before using any of the tools on the Days tab, verify the following has been done for the selected calendar:

- [Calendar](#) dates are correct.
- [Term](#) dates are correct.
- [Periods](#) and Period Schedules are established.

Day Events

Day Detail Editor

Day Events Type

Day Events indicate a special event(s) for the school day. The Day Event **Type** field indicates the reason for the event. Types of days are created in the [Attribute/Dictionary](#).

School Month

School months break down the months within the school year into segments of time, most often used for state reporting. School Months can be created in one school calendar and copied to other school calendars using the [Calendar Wizard](#). School Months are only necessary if the district wishes to run the [NV01 Monthly Enrollment and Attendance Report](#).
