Search Terms: Migrant

The Migrant tab captures eligibility data for state reporting purposes.

A migratory child is defined as the child who has a parent, spouse, or guardian:

- working as a migratory agricultural worker or a migratory fisher
- is not older than 21 years old
- entitled to a free public education or below the age of compulsory school attendance
- moved within 36 months in seek, obtain, accompany, or join the migratory agricultural worker, migratory fisher, or other move(s) identified as a qualified move.

Nevada Student Migrant Detail Editor

MSIX ID

Indicates the Migrant Student Information Exchange Identifier. This allows the MSIX ID to associate with the Migrant record. This field is used only for district-tracking purposes and is not used in state reporting, however, users must provide a value in this field.
