Search Terms: [CATE Report](#)

The CATE Student Course reports information about the entire CATE program the student is in with the course s/he took that was for that CATE program, as well as other enrollment information about the student.

Generate the Report

1. Select **CATE Course** from the **Extract Type** dropdown.
2. Enter the desired **Start Date** and **End Date** for the report. Dates are entered in *mmdyy* format or can be selected by using the calendar icon.
3. Select a **Format** from the dropdown list. Options are State Format (CSV) or HTML.
4. Select the desired **Calendar(s)** to include in the report. Calendars can be selected by active year, by school year or by year.
5. Click **Generate Extract**. Results appear in the desired format in a new window.
