The 21st Century Report returns all students who have a 21st Century Program record during the entered Start and End Dates on the extract editor. The 21st Century Community Learning Center program (a Title IV, part B program) awards competitive grants for expanded academic enrichment opportunities for children attending high poverty school.

21st Century Report Editor

Report Logic

Students who have a 21st Century Program Record as of the entered Start and End Dates on the

report editor are included, and can be generated for the active year or a prior year.

Students are not included when:

- The Enrollment record is marked as State Exclude or No Show.
- The Grade Level of Enrollment is marked as State Exclude.
- The Calendar of Enrollment is marked as State Exclude.

Data Element	Description
Extract Type	Indicates the type of extract selected. Different options may appear depending on the selection. For this instance, choose **21st Century Report.**
Start Date	Beginning date of the 21st Century Program records. Dates are entered in *mmddyy* format or can be selected by using the calendar icon.
End Date	End date of the 21st Century Program records. Dates are entered in *mmddyy* format or can be selected by using the calendar icon.
Ad hoc Filter	Selection of previously made filter that contains specific students to include in the label request.
Report Format	Determines how the request is generated - in the State Format (CSV) or HTML. Use the HTML format when reviewing data. Use the State Format when submitting the list to the state.
Select Calendars	At least one calendar must be selected in order for the extract to generate. Students in the chosen calendars are included in the extract. Calendars can be selected by the active year, the school or the year.
Report Generation	Use the **Generate Report** to immediately display the results. For larger selections of data (multiple calendars, multiple years), use the **Submit to Batch** option to choose when the report generates.

Generate the 21st Century Report

1. Select the **21st Century Report** options from the **Extract Type** dropdown list.
2. Enter the **Start Date** and **End Date** of the program records to include.
3. Select an **Ad hoc filter** from the dropdown list to reduce the amount of students included in the extract.
4. Select the desired **Report Format**.
5. Select the desired **Calendars** from which to report students.
6. Click the **Generate Extract** or the **Submit to Batch** button. The report displays in the selected format.
