Report Logic

Students are included on the report when the Immigrant field on their enrollment record is set to Y: Yes.

Report Editor

Field	Description
Grade Level	Students enrolled in the selected grade level are returned. More than one grade level can be selected.
Format	Indicates how the report generates, in either HTML or CSV.
Select Calendar	Select at least one calendar from which to report students considered immigrants.

Generate the Report

1. Select the desired **Grade Level**.
2. Select the desired **Calendars** from which to report students.
3. Select the desired **Format**.
4. Click the **Generate Extract** button. The report displays in a new window.

Records:40
