Pre ID Label Extract

This editor will create either the HSPA, EOC Biology, or NJASK Pre ID Labels in either Fixed Width, CSV or HTML format based on the calendar(s) and grade(s) selected. You may also use a saved Ad Hoc Filter for student definition. Match will be done on NJ State ID (SID). Please note that NJASK now includes a Teacher Sort (Column 29) that can be used for sorting labels but must be deleted prior to submission.

Field	Description
Pre ID	Selection indicates which assessment for which the labels will generate.
Effective Date	Entered date reflects the active enrollment date of students. A student who is not enrolled (enrollment ended) on the entered date will not be included in the labels, unless the Include Active Students checkbox is marked. Dates are entered in <i>mmddyy</i> format, or use the calendar icon to select a date.
Grade Level	Indicates the grade level of enrollment for which the labels will generate.
Ad hoc Filter	If a filter is selected (and not a grade level), labels will only generate for students included in the filter.
Format	Determines how the labels will generate.

Field	Description
Include Inactive Students	When selected, inactive students will be included in the extract, regardless of the entered Effective Date.
Calendar Selection	Selection indicates the school calendar that will be used when generating the report.

Generate the Pre-ID Biology Extract

1. Select the **EOC Biology** option from the **PreID** dropdown list.
2. Enter an **Effective Date** for the report.
3. Select the students to include in the report by selecting **Grade levels** or an **Ad hoc Filter**.
4. Select the **Format** of the extract - **State Format (Fixed Width)**, **CSV** or **HTML**. Use the HTML or CSV format for testing and data review purposes. Use the State Format when submitting the data to the state.
5. Mark the **Include Inactive Students** checkbox to include students who do not have an active enrollment record as of the entered effective date.
6. Select the **Calendar** to include on the report. This option defaults to the calendar selected in the Campus toolbar.
