Report Logic

- A record reports for each reportable Special Ed Event entered on the NM Exceptionality (state reporting) plan > Events Editor.
- To report, at least one student enrollment in the calendar/s selected must NOT be flagged State Exclude.
- To report, the student must NOT be flagged as Enrollment > State Exclude or in a state excluded State Grade Level code.
- To report, the Event must be active on/before the Reporting Date selected on the extract editor AND the State Reporting End Date MUST be NULL or fall on or after the Reporting Date selected on the extract editor.

Report Editor

Field	Description
Submission Schedule	The Submission Schedule for which data is being submitted to the state.
Reporting Date	Records report cumulatively for events entered on the Event Detail Editor of the NM Exceptionality (state reporting) plan where the Event Date occurs on or before the Reporting Date selected here AND the State Reporting End Date MUST be NULL or fall on or after the Reporting Date.
Which students would you like to include in the report?	This option allows you to narrow your search results by using one of the following options. • **Grade** - Select a single grade or multiple grades (CTRL-click or SHIFT-click to select multiple). • **Ad Hoc Filter** - Select a filter to limit results to students included in the filter.
Format	The format in which the report will generate. Options include State Format (CSV) and HTML.
Select Calendars	The calendar(s) from which data is pulled for the report.
Generate Extract/Submit to Batch	The report can be marked to generate immediately using the **Generate Extract** button or can be marked to generate at a later time using the **Submit to Batch** button. See the Batch Queue article for additional guidance.
