Report Logic

Extracts will report based on the Assessment Type selected. However, students must be enrolled in a selected calendar for at least one day during the Date Range entered in the extract editor to report. If more than one enrollment is found, reports based on the most recent enrollment with a Service Type of P or N.

Assessment Type	Logic
Grades 3-8 Alternate Assessment (GA)	Reports a record if the student has a GA Test date within the Date Range entered with a Subject of C, M, S, W, SS or R. All tests records found during the Date Range entered in the extract editor will report.

Assessment Type	Logic
Ohio Graduation Test (GX)	Reports a record if the student has a GX Test date within the Date Range entered with a Subject of C, M, S, W or R and a Test Grade Level. Reports one record per student, per test, per subject. A student can have more than 5 records reported. Only students with a Diploma Date entered will report for the G reporting period.
Ohio English Language Proficiency Assessment (GF)	Reports a record if the student has a GF Test date within the Date Range entered with a Subject of Reading, Writing, Listening or Speaking. All tests records found during the Date Range entered in the extract editor will report.
Preschool Childhood Outcome Summary (GM)	Reports two records if the student has a GM Test date within the Date Range entered with a Subject of E, K or T. The first record reports for Subject E, K or T and reports Score. The second record reports for Subject EPRG, KPRG or TPRG and reports Progress. Only students with an enrollment in a State Grade Level of **PS** will report. For the K reporting period, only assessment records up to December 1st of the current year will report. For the N reporting period, only assessments between December 2nd and May 15th will report.
Preschool ASQ/SE (GS)	Reports a record if the student has a GS Test date within the Date Range entered. Only students with an enrollment in a State Grade Level of **PS** will report. If the student has a District Entry Reason or Enrollment Start Status of 4, the oldest assessment will report. If the student has any other District Entry Reason or Enrollment Start Date, the most recent assessment will report. For the K reporting period, only assessment records up to December 1st of the current year will report. For the N reporting period, only assessments between December 2nd and May 15th will report.
Early Learning Preschool Assessment (GB)	Reports a record if the student has a GB Test date within the Date Range entered with a Subject of AEE, COOP, PLR, COMM, W, CLRF, CSM, SFIP, RWA, VOC, NBSN or PCT. Multiple assessment records can be reported.
Kindergarten Readiness Assessment (GO)	Reports a record if the student has a test record within the selected calendar with a State Code of GO and a Subject of OISR, SF, LL, M, S, C, or PD. Subjects S and C report two records based on Scale Score and Error Band. Subjects OISR, LL, M, PD, and SF report only Scale Score.
CTE Technical Assessment (GY)	Reports a record if the student has a GU test record with a test date that falls within the Date Range entered. All tests records found during the Date Range entered in the extract editor will report.

Assessment Type	Logic
CTE Industry Assessment (GU)	Reports a record if the student has a test record within the selected calendar with a State Code of GU and a Code that is not null. All tests records found during the Date Range entered in the extract editor will report.
Industry Credential (GW)	Reports a record if the student has a test record within the selected calendar with a State Code of GW and a Code that is not null.
American College Testing (AC)	Reports a record if the student has a test record within the Date Range with a National Code of ACT and a Subject of M, R, W, S, or EL.
Scholastic Aptitude Test (SA)	Reports a record if the student has a test record within the Date Range with a National Code of SAT and a Subject of M or R.
Advanced Placement (AP)	Reports a record if the student has a test record within the selected calendar with a National Code of AP and a Code that is not null.
International Baccalaureate (IB)	Reports a record if the student has a test record within the selected calendar with a State Code of IB and a Code that is not null.
Ohio's State Tests (GN)	Reports a record if the student has a test record within the selected calendar with a State Code of GN and a Subject of C, ELA, M, R, or S.
End of Course Tests (GE)	Reports a record if the student has a test record within the selected calendar with a State Code of GE and a Subject of BIOL, GOVM, HIST, PHYS, ELA1, ELA2, ALG1, GEOM, MTH1, or MTH2.
WorkKeys Assessment (WK)	Reports a record if the student has a test record within the selected calendar with a State Code of WK and a Subject of M, R, LCIF, AMTH, GLIT, or WDOC.
Measures of Academic Progress (DPR Growth Assessment by NWEA only) (GD)	Reports a record if the student has a test record within the selected calendar with a State Code of GD and a Subject of M or R.

Extract Fields

Field	Description
Extract Type	
Assessment Type	The assessment for which results are reported. Options are: • GA: Grades 3-8 Alternate Assessment • GX: Ohio Graduation Test • GF: Ohio English Language Proficiency Assessment • GM: Preschool Childhood Outcome Summary • GS: Preschool ASQ/SE • GB: Early Learning Preschool Assessment • GO: Kindergarten Readiness Assessment • GY: CTE Technical Assessment • GU: CTE Industry Assessment • GW: Industry Credential • AC: American College Testing • SA: Scholastic Aptitude Test • AP: Advanced Placement • IB: International Baccalaureate • GN: Ohio's State Tests • GE: End of Course Tests • WK: WorkKeys Assessment • GD: Measures of Academic Progress (DPR Growth Assessment by NWEA only)
Reporting Period	Indicates when the report is being submitted.
Date Range	The dates which determine which student assessment records will appear on the report.
Format	The format in which the report will generate. Options are *State Format (Fixed width), HTML, CSV* and *XML*. Use HTML, CSV or XML formats for data review and verification and State Format for submission to the State.
Ad Hoc Filter	Allows a previously created Ad hoc Filter to be selected that will limit what students appear in the report. Filters are created in the Filter Designer.
Calendar(s)	Students enrolled in the selected calendar(s) will appear in the report.

Generating the Extract

1. Select the Student Assessment (FA) **Extract Type**.
2. Select the **Assessment Type**.
3. Enter a **Date Range** in *mmddyyyy* format or by clicking the calendar icon and selecting a date.
4. Select the **Format** in which the report should generate.
5. Select an **Ad hoc Filter** to specify student results.

6. Select the **Calendar(s)** that should be included in the report.
7. Click **Generate Extract** to generate the report in the indicated format or **Submit to Batch** to schedule when the report will generate. If generating multiple extracts at a time (after Campus.1921), requests can only be submitted to the Batch Queue.

Users have the option of submitting a Student Assessment report request to the batch queue by clicking **Submit to Batch** instead of Generate Extract. This process will allow larger reports to generate in the background, without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.

Extract Layout

Element Name	Description & Format	Campus Location
Filler1		
SortType	Reports as FA for this record.	N/A
Filler2		
FiscalYear	The end year of the reporting school year. *Alphanumeric, 1 character*	System Administration > Calendar > School Year > End Year Calendar.endYear
Reporting Period	The Reporting Period selected in the extract editor.	OH State Reporting > OH Extracts > Student Assessment (FA) > Reporting Period Not dynamically stored
DistrictIRN	The state-assigned information retrieval number (IRN) of the district. *Numeric, 6 characters*	System Administration > Resources > District Information > State District Number District.number
StudentID	The locally determined EMIS student ID. For GW and GY assessment types (Reporting Period D), this field reports the Student State ID instead of the Local Student Number. *Alphanumeric, 9 characters*	Census > People > Demographics > Person Identifiers > Local Student Number Person.studentNumber

Element Name	Description & Format	Campus Location
Assessment TypeCode	Reports the State Code of the assessment. See the following State Code Options table for values. *Alphanumeric, 2 characters*	Assessments > Test Setup > Tests > Test Detail > Test Type > State Code Test.stateCode
TestGradeLevel	The Test Grade Level of the assessment. See the following Grade Level Options table for values. For the GN assessments, reports the Test Grade Level. If null, reports as **. For the GF and GE assessments, this field reports as **. *Alphanumeric, 2 characters*	Assessments > Test Setup > Test Detail > Test Grade Level; Student Information > General > Assessments > Student Grade Level Test.testGradeLevel
Subject (Assessment Area Code)	The Subject area of the assessment. See the following Subject Options table for values. For GM assessments, Record 1 will report the Subject code and Record 2 will report the Subject Code + PRG. For GS assessments, reports based on the student's age at the time the test was taken: • Age 32 months or younger: reports 30 • Age 33-41 months: reports 03 • Age 42-53 months: reports 04 • Age 54 months and older: reports 05 For GO assessments, reports the Subject for Scale Score records or the Subject+SE for the Error Band record. *Alphanumeric, 2 characters*	Assessments > Test Setup > Tests > Test Detail > Subject GS: Student Information > General > Assessments > Date; Census > People > Demographics > Birth Date Test.subject

Element Name	Description & Format	Campus Location
TestDate	The date on which the student took the test. For AP assessments, reports as CCYY05, where CCYY is the End Year of the calendar. For GU assessments, reports as CCYY01, where CCYY is the End Year of the calendar. For GY and GW assessments, reports as CCYYMM. For AC and SA assessments, reports as CCYYMMDD. For GN assessments, reports as follows, with CCYY indicating the year of the original Test Date: • Test Date 09/01 - 12/31: Reports CCYY11 • Test Date 01/01 - 05/31: Reports CCYY04 • Test Date 06/01 - 08/31: Reports CCYY07 *Date field, 6 digits, YYYYMM*	Student Information > General > Assessments > Date TestScore.date
TestDay	The day of the month on which the test was administered. For GD and GM assessments, reports the Test Day. *Date field, 2 digits, DD*	Student Information > General > Assessments > Test Date TestScore.date
TestRequired Type	The format in which the student is required to take the test. See the following Required Test Type Options table for values. If Null, reports as STR. • For GW assessments, reports the Required Test Type if the Test Date is on or after 07/01/2019. Otherwise reports as STR. *Alphanumeric, 3 characters*	Student Information > General > Assessments > Required Test Type TestScore.modification

Element Name	Description & Format	Campus Location
GradeLevel	The grade level of the student at the time that the test was taken. If the assessment doesn't have a Student Grade Level selected, reports the Student Grade Level of the parent assessment. If both are Null, reports the Student Grade at Time of Test calculated from the most recent enrollment. See the following Grade Level Options table for values. For GN assessments, report the Test Grade Level if entered (Student Information > General > Assessment). Otherwise reports the Test Grade Level, or as ** if null. *Alphanumeric, 2 characters*	Student Information > General > Assessments > Student Grade Level TestScore.testingGrade
Test Accommodation	Identifies the accommodations the student received when taking the standard format of the test. If the assessment doesn't have a Type of Accommodation selected, reports the Type of Accommodation of the parent assessment. See the following Type of Accommodation Options table for values. *Alphanumeric, 2 characters*	Student Information > General > Assessments > Type of Accommodation TestScore.accommodation

Element Name	Description & Format	Campus Location
ScoreNot Reported	Identifies the reason the student did not take a required test and/or does not have a score to report. If the assessment doesn't have Score Not Reported, reports the Score Not Reported value of the parent assessment. See the following Score Not Reported Options table for values. If null, reports as *. For GY assessments, if a value other than * or X is entered, reports as ***. Otherwise, logic looks at the Assessment Code. If it begins with 3 alphabetic characters, the field reports differently based on when the student took the test. If that student's result is A, N, or P and the Test Date is on or after 4/1/2020, the Result reports. If the student's result is not A, N, or P and the Test Date is before 4/1/2020, the Scale Score reports. If the Assessment Code ends with two alphabetic characters, field logic is unchanged. *Alphanumeric, 1 character*	Student Information > General > Assessments > Score Not Reported TestScore.nonParticipationReason
Score	Identifies the score the student received. • For GB assessments, if Score Not Reported is not * or Null, reports as ***. Otherwise, reports Results. If Result is Null, reports the Scale Score. If Null, reports as 000. • For GF, GO, and GS assessments, if Score Not Reported is not * or Null, reports as **. • For GO assessments Scale Score records, if Score Not Reported is not * or Null, reports as ***. • Otherwise reports Scale Score. If null, reports as 000. For Error Band records, reports the Error Band, which reports rounded to the nearest tenth with an implied decimal (for example, 12.48	Student Information > General > Assessments > Scale Score/Raw Score TestScore.scaleScore TestScore.rawScore

Element Name	Description & Format	Campus Location

would report as 125).

- For GA and GX assessments, if ScaleScore is greater than 0, reports the ScaleScore, padded with leading 0's to 3 characters. If ScaleScore is 0 or null, reports the Result if not null (zero-padded). Otherwise reports as ***.
- For GB, GO and GS assessments, reports the Raw Score or 000 if Null.
- For GM assessments, Record 1 will report as *** if Score Not Reported is A-P, otherwise reports Scale Score or 000 if Null. Record 2 will report Progress code, the parent assessment's Progress value if null or as *** if both are Null.
- For GU assessments, if Score Not Reported is not * or null, reports as ***. If the Result is marked as Passing Score, report P. Otherwise reports as N.
- For GY assessments, if Score Not Reported is not * or null, reports as ***. If the first 3 characters of the Code are alpha characters, reports the Scale Score. If the last 2 characters of the Code are alpha characters, reports the Result. Pads with 0's if necessary.
- For AP and IB, reports Scale Score. If null for AP assessments, reports as 000.
- For GW assessments, reports Result or N if null.
- For AC and SA assessments, if Score Not Reported is not null or *, reports as ***. Otherwise reports the Scale Score, or 000 if null.
- For GN assessments, reports the Scale Score, or the Raw Score if null, when the Test Grade Level is 03, Subject is R, and State Code is GN.
- For GN and GD assessments, if

Element Name	Description & Format	Campus Location
	Score Not Reported is not * or null, reports as ***. Otherwise reports Scale Score or as 000 if null. Pads with 0's if necessary. • For GN assessments for 3rd Grade Reading, reports Raw Score. All other records report Scale Score or Score Not Reported. • For WK assessments, reports the Scale Score, or as 000 if null. Pads with 0's if necessary. • For GE assessments, reports the saved Result if the Score Not Reported value is W, X, or 2, or as 000 if null. If Score Not Reported is A-V, reports as ***. Otherwise reports Scale Score, or as 000 if null. *Alphanumeric, 3 characters*
