PATH: *Census > People > Identities*

The Home Primary Language field is used to identify the primary language spoken at a person's home. This field is used in various state reports and program reporting.

The Home Primary Language field also appears in the following editors:

- [Census > People > Demographics](#)
- [Census > People > Add Person](#)
- [Census > Staff Locator](#)
- [Student Information > Student Locator](#)

The following table describes all current Home Primary Language values available.
