The Master Roster Report provides a list of students by grade level who are enrolled as of the selected reporting period for the entered dates.

## Report Logic

A record reports for enrollments that are active in the date range and calendar selected in the extract editor. Students marked as "State Exclude" on their enrollment active during the extract date range are not included in the report.

- Only students with a SIF Admission (Student Information > General > Enrollments > SIF
  Fields > Admission) value of the following are included: R, OT, ET01, ET02, ET03, ET04, ET05,
  ET06, ET07, ET08, RVON, RVOFF, FOY, ROP, ACEPT, BDR, BORDER-R
- If the student is assigned an Admission code that is NOT one of the above, the days are not

counted for that student's enrollment.
