This information is specific to South Dakota districts.

Classic Path: *SD State Reporting > NCLB Student Data*

Search Terms: *NCLB Student Data*

The No Child Left Behind Student Data report is used by schools to verify or contest Adequate Yearly Progress designations. This report is a snapshot of student data from the time a school's or district's AYP status was determined.

Report Editor

The only field available for selection in the extract editor is the end **Reporting Year** for which all district data is pulled. For example, a reporting year of 2011 will pull information from the 2010-11 school year.

Generating the Report

1. Select a **Reporting Year** from the dropdown list.
2. Click **Generate Report** to generate the extract in CSV format.
