Report Population Logic

- Logic will report a student if the student has an active enrollment in reporting calendar as of
 Effective date or when the enrollment end date populated on or before the Effective Date and
 has no other enrollment record after the ended enrollment record. To report, students must
 have:
 - Documented Hearing Loss checked on their enrollment record
 - And/Or a Primary Disability of 500: Deaf-Blindness, 515: Hearing Loss or 545: Deafness (Enrollments > Special Ed fields)
 - If student has both a disability and Documented Hearing Loss checked, report one record only

Generate the Report

- Enter the Effective Date. For students who meet report logic criteria, one record is reported
 for each student who has an active enrollment in the reporting calendar as of this date or an
 end dated enrollment on or before this date.
- 2. Select which calendar(s) will report data.
- 3. Select the Extract Format: CSV or HTML.
- 4. Click **Generate Extract** to generate the report immediately or **Submit to Batch** to schedule when the report generates in the background. You can return to this editor and access the completed scheduled report in the Batch Queue List window.
