- children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings

Unaccompanied Youth Status Code

Unaccompanied youth indicates a youth not in the physical custody of a parent or guardian. If a student is an unaccompanied youth, the district must indicate whether or not the student received

direct services under the McKinney-Vento Homeless Education Program. This program is also known as the TEXSHEP program.
