To create a new Expanded Learning Opportunity (ELO) record for a school, select **New** and enter the appropriate values on the Policy Editor for the selected school. Only one record for each ELO Type can be active at a time; however a school can have overlapping records of different ELO Types.

Start Date

Indicates the date on which the ELO status began.

End Date

Indicates the date on which the ELO ended.

If the End Date is left blank, state reports *assume* the ELO spanned the course of the current reporting enrollment (this could translate to multiple years of enrollments).

Indicators

The Indicator check boxes allow the user to check the type(s) of activities offered for student participation.

Educational Enrichment

Indicates the campus offers, or the student participates in, an expanded learning opportunity (ELO) identified as educational enrichment. Educational enrichment includes activities that engage students in actively exploring academic content and activities introduced during the regular school day. It consists of activities that are intentionally designed to align with but not replicate the instruction in a core course to increase the academic success of students in any subject, including fine arts, civic engagement, science, technology, engineering, and mathematics.

Academic Support

Indicates the campus offers, or the student participates in, an expanded learning opportunity (ELO) identified as academic support. Academic support is defined as supplemental support related to student academic skill development and may include compensatory education, test-taking skills, and related academic skill-building. Tutoring and homework help are not considered academic support.
