Search Terms: Crisis Event

The Crisis Event tool tracks students who were enrolled, or are eligible for enrollment, but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services.

Creating a Crisis Event

Users may create Crisis Event records for students by clicking **New**. Users may add as many records as necessary for each student.

The screenshot shows a form titled "Crisis Event Detail" within a "Crisis Event Detail Editor" window. The form contains the following fields:

- *Start Date:** A date input field with a calendar icon.
- End Date:** A date input field with a calendar icon.
- *Crisis Code:** A dropdown menu.
- Comments:** A large text area for entering details.

Start Date

The date on which the crisis event began.

Crisis Code

The Crisis Code indicates a state health or weather-related event that impacts a group of students, and may require additional funding, educational, or social services. The event may or may not cause the student to leave the district or campus of residence. A crisis event is designated by the Commissioner of Education.
