Combined Incident Reporting gathers information related to violations of school policies, state or federal statutes or regulations. Four behavior reports collect information about behavior incidents, offenders, actions and victims.

See the [Combined Incident Reporting](#) article for directions for generating the extract.

Combined Incident Reporting Editor

Report Logic

Reports all Person information where the following are true:

- The related incident date is on or after the first instructional day of the selected calendar.
- The related incident date is on or before the Effective Date (from the extract editor).
