## Report Logic

- All Students with any enrollment on or prior to the Effective Date report.
- Students are NOT included if their enrollment is marked as State Exclude.
- If the student has more than one enrollment that meets the previous requirements, a record reports for each enrollment.
- Multiple enrollments report if the student has two or more ENORGIDs in a Supervisory Union or District.

## Report Editor

Field	Description
<b>Submission Code for File Name</b>	The report naming convention based on the submission time frame of the report.
<b>Extract Type</b>	4 PS Enroll
<b>Effective Date</b>	The date from which data is pulled for the report.
<b>File Format</b>	Determines the format for the report. Use <b>State Submission</b> when submitting the final data. Use <b>HTML</b> for data review and testing.

Field	Description
<b>Select Calendars</b>	The calendar(s) from which data is pulled for the report. This option is only available when you select <i>HTML</i> for the <b>File Format</b> and can assist you with verifying data for individual calendars.
<b>Generate Report Submit to Batch</b>	Users have the option of submitting the report request to the batch queue by clicking <b>Submit to Batch</b> instead of <b>Generate Extract</b> . This process allows larger reports to generate in the background without disrupting the use of Campus.
