The Average Daily Membership extract enhances Vermont's ability to efficiently and accurately manage, analyze, and use education data.

Example 6 PS ADM Extract Editor

Report Logic

- All students with an Enrollment on or prior to the Effective Date selected on the extract editor report.

- Students are NOT included if their enrollment is marked as State Exclude.

- To report, the student must be assigned one of the following ADM Types (Student Information > General > Enrollments > State Reporting Fields > ADM Type). Otherwise, the student does not report.

  - R: Resident Student

  - S: State Place Student

  - O: Other

- Multiple records report if the student has two or more ENORGIDs in a Supervisory Union or District.

Report Editor

Field	Description
Submission Code for File Name	The report naming convention based on the submission time frame of the report.
Extract Type	6 PS ADM
Effective Date	The date from which data is pulled for the report.
Format	Determines the format for the report. Use **State Submission** when submitting the final data. Use **HTML** for data review and testing.
Select Calendars	The calendar(s) from which data is pulled for the report. This option is only available when you select *HTML* for the **File Format** and can assist you with verifying data for individual calendars.
Generate Report Submit to Batch	Users have the option of submitting the report request to the batch queue by clicking **Submit to Batch** instead of **Generate Extract**. This process allows larger reports to generate in the background without disrupting the use of Campus.
