The Graduation tool provides districts with the ability to track graduation information used in state reporting, AYP (Average Yearly Progress) determinations and NCLB (No Child Left Behind) report cards. Districts can track when a student first entered ninth grade and calculate their expected graduation date.

The fields listed below are the specific to Virginia. See the [Graduation](#) article for information on creating or deleting a Graduation record, Tool Rights information, and graduation scenario examples.

## State Reporting Graduation Fields
