WI PI-1563 Pupil Count State Report

This tool reports data to complete the WI State-defined Pupil Count (PI-1563). Choose the Summary Formats for aggregate data used in state reporting. Choose the Head Count Detail Format for a breakdown of students who report on Pages 1-4 of the Head Count, as well as the option to list unreported students. Choose the Reconciliation Detail Format for a list of students who report in the four sections of the Reconciliation report. The Reconciliation Detail includes data validations at the end of the report. Note: Extract editor dates auto-fill based on the year selected in the Campus toolbar.

Different data is reported on each page of the Summary Format, as follows:

- Page 1 - [Head Count as of the Count Date](#)
- Page 2 - [Non-Resident Reductions](#)
- Page 3 - [Resident Reductions](#)
- Page 4 - [Resident Additions](#)
- Page 5 - [Preschool Special Education](#)
- Page 6 and 7 - [4 Year Old General Information](#)
- Page 8a - [Other Adjustments](#)
- Page 8b - [Part Time Attendance of Non-Residents of the District Part-Time Attendance](#)
- Page 9 - [Adjusted Count as of the Count Date](#)

For all pages of the report, the following definitions are used:

- A **Resident** is defined as a student whose Resident District on their enrollment record is the same as the database housing the data.
- A **Non-Resident** is defined as a student whose Resident District is not the same as the database housing the data.

Report Logic

This information applies to ALL pages of the Head Count Report. Additional reporting logic for individual pages is noted with the details of that page.

For a student to be considered Scheduled on the Count date, the Calendar Day must be marked as Instructional, School, and Attendance, in addition to the Period Schedule into which they are scheduled is tied to the Day of the Count Date.

Students must be actively enrolled on the effective date of the report. If a student is marked as State Exclude (by enrollment record, grade level or calendar) or as a No Show, that student will not be included in the report. In addition, any student who has a [Census Status](#) of **N: Private School** or **H: Home Schooled** are not included.

A student's age is calculated as of September 1, of the school year being reported, unless otherwise stated.

- 4 Year Old Kindergarten category's age requirement is 4 years old.
- 5 Year Old Kindergarten category's age requirement is 5 years old.

Non-Resident Reductions (Page 2)

The Non-Resident Reductions page counts students who are enrolled in a district that is not considered their primary district for funding purposes and who meet certain Census Status criteria. These students are subtracted from the totals reported on page 1 of the report.

Census Statuses

The following Census Statuses are included in the Non-Resident Reductions count:

- 6: 66.30
- CC: CCDEB
- C: CESA Program
- IS: Incarcerated Students (Reported for 1-12 only)
- TR: Integration Transfer (Reported for KG and 1-12 only)
- E: Outside Age Eligibility
- O: Open Enrollment
- W: Tuition Waiver - Additional Year
- TP: Tuition Paid
- 9: 9 Week Waiver

Each Census Status is counted in a separate column by grade level. Students with multiple enrollments in the same calendar report one time. See the list of [Grade Level Descriptions](#) for more information.
