Report Logic

Data reports for students with locked, active IEPs.

This report does not include data entered on the I-7 editors of IEPs with a print format of 2016 or later. Use Ad hoc to report that data.

Report Editor

The following fields are available for entry:

Field	Description
Start Date	First date used to report accommodation information. This is a required entry. Dates are entered in <i>mmddyy</i> format or can be chosen by selecting dates from the calendar icon.
End Date	Last date used to report accommodation information. This is a required entry. Dates are entered in <i>mmddyy</i> format or can be chosen by selecting dates from the calendar icon.
Students	Lists those who have a locked plan within the school year selected in the Campus toolbar. This list includes the student's name, student number and grade level.
Sort By	The report can be printed alphabetically by Student Name , Case Manager Name or numerically by Grade level (lowest grade level prints first).
Print in HTML Format	When marked, the report prints in HTML format, instead of the standard PDF format.

Generate the Test Accommodations Report

- 1. Enter the **Date Range** for the report.
- 2. Select which **Students** to include in the report.
- 3. Select the desired **Sort By** option.
- 4. If the report should print in HTML format, mark the **Print in HTML Format** checkbox.
- 5. Click the **Generate Report** button. The report displays in a new browser window in the selected format in Student Name order.
