To allow for easier navigation around Campus using a keyboard, the following keyboard shortcuts are available within Campus:

> All key commands below work for both Windows and Mac operating systems (with the exception of Alt-Shift-T on Safari).

Key Command	Description
Alt-Shift-S	This will open the Student Search and focus on search input
Alt-Shift-C	This will open the context picker and focus on the first field
Alt-Shift-U	This will open the index and focus on tools within the index
Alt-Shift-Q	This will log the user out of Campus
Alt-Shift- > (angle bracket) and Alt-Shift-< (angle bracket)	This will move to the next or previous selection in the Student Search
Alt-Shift-T (Windows) Mac Key-Shift-T (Mac)	This will set the focus on the active tab
