Search Terms: [Schedule Conflicts](#)

The Schedule Conflicts Report lists each non-alternate request that has not been fulfilled in the currently active trial.

- When all sections for that course are full, the report displays NO SEATS REMAIN.
- When the Course only has one section, and the student has a course in their schedule that also only has one section, the report displays SINGLETON CONFLICT.
- When the student has no schedule gaps, or the size of the course is larger than the size of the schedule hole, the report displays FULL SCHEDULE.
- When the Conflict type column is blank (no words display), student requests have not been scheduled. For all other situations, the report displays CONFLICT.

Student Schedule Conflicts Report

List each non-alternate request that hasn't been fulfilled in the currently active trial. If all sections for that course are full, display "NO SEATS REMAIN". If the Course only has 1 section, and the student has a course in their schedule that also only has 1 section, display "SINGLETON CONFLICT". If the student has no schedule gaps, or the size of the course is larger than the size of the schedule hole, display "FULL SCHEDULE". For all others, display "CONFLICT".

Schedule Conflicts Report

Report Editor

Field	Description
Grade	Lists the grade level of enrollment of the students to include on the report.
Ad hoc Filter	Selecting an ad hoc filter returns requests for only those students included in the Ad hoc filter.
Types of Request Conflict	Selection indicates which types of conflicts to include in the report. Options are: <ul style="list-style-type: none"> Conflict Full Schedule Singleton Conflict No Seats Remain

Field	Description
Sort Options	Options are Student Name or Grade . <ul style="list-style-type: none"> • Student Name lists the students on the report alphabetical by last name. • Grade level lists the students in grade level order by last name.
Report Format	Available in PDF and DOCX format.
Report Generation	Two buttons are available for report generation: <ul style="list-style-type: none"> • Generate Report - displays the report instantly. • Submit to Batch - sends the report to the Batch Queue for generation at a specified time. This option is recommended when generating the report for a large number of students.

Generate the Schedule Conflicts Report

1. Select the **Grade** levels of the students to include in the report. Or, select an existing **Ad hoc Filter** that includes the students.
2. Select the **Types of Request Conflicts** to include in the report. All options are automatically selected. Remove the checkbox from the items that should not be included.
3. Determine how the report should be sorted - by **Student Name** or by **Grade** level.
4. Select the **Report Format**.
5. Click **Generate Report** to generate the report immediately, or use the **Submit to Batch** to choose when a report generates.

Students who are assigned an Academic Program with a [priority requirement](#) display in bold text.
