As of the [Campus.2136 Release](#) (August 2021), certain historical Special Ed Plan and Evaluation Types will be archived. This does not impact historical documents tied to students. Archived Plan and Evaluation Types are read-only and new documents cannot be created using these historical print formats.

When a Plan or Evaluation Type print format is deactivated, the following message displays in the Comment field on the Detail screen: "This print format was deactivated by Infinite Campus on <date release was taken>."
