The CALPADS Postsecondary Status Summary allows districts to submit data about student employment and.or educational status the year after completing secondary education (graduates from the prior academic year). This information is collected for any student who was part of and completed a CTE Program or was participating in the California Partnership Academy Program (State Code 113).

CALPADS Post Secondary Status Summary

Report Logic

Students are included in the report when:
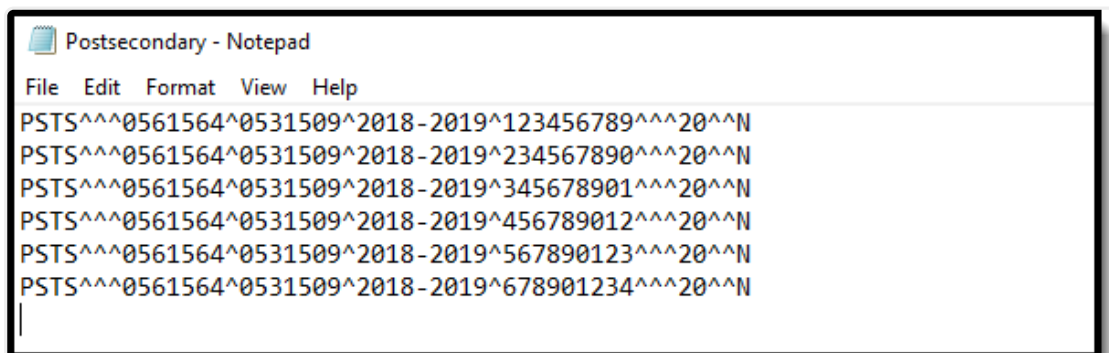

- The student is no longer an active student, meaning the student's enrollment record for the selected calendar has an End Date and an Enrollment Status indicating no longer a student.
- The student's Enrollment End Status for the reporting year is one of the following:
    - 100
    - 120
    - 250
    - 320
    - 330
    - 360
- The student was part of a CTE Program OR was assigned a Program/Flag with a State Code of 113 - Educational Options: CA Partnership Academy.
- The student's CTE record has a Pathway Completion Date.
- The student must have a value in the Postsecondary Status Code in the State Reporting Graduation Fields editor. One record report for each Postsecondary Status Code assigned to the student.

Field	Description
Transaction Type	Indicates the type of transaction that will occur - Add/Update or Delete.
Format	Determines how the report will generate. Select State Format (Caret Delimited) if submitting records to the state. Other formats available for testing and review purposes are CSV and HTML.
Ad hoc Filter	Select which students to include in the extract by choosing a filter that was created in the Filter Designer.
Calendar Selection	Select the calendar of enrollment from which to pull student data. Calendars can be chosen by the active year, by the school name or by the year.
Report Generation Options	Choose the Generate Extract to display the results of the chosen items immediately. Choose the Submit to Batch option to generate the report at a specified time. This option is helpful when generating large amounts of data.

Generate the Extract

1. Select the **Transaction Type** from the dropdown list - Add/Update or Delete.
2. Select the **Format** of the file.
3. Use the **Ad hoc Filter** to select students already included in a filter. This is not required. If not chosen, all students who have the appropriate enrollment start or end status during the entered date range are included.
4. Select the **Calendars** to include in the file.
5. Click the **Generate Extract** button. Or generate the extract at a specified time using the **Submit to Batch** button. The file appears in a new window in the selected format.

Elements	Description	Location
Reporting LEA	A unique identifier for the educational service institution responsible for obtaining and maintaining a student's Statewide Student Identifier by way of an enrollment record in CALPADS. If the reporting calendar is from a School with Type = 15: Independently Reporting Charter, the State School Number reports (not the State District Number). This field reports the Secondary District Number when the reporting calendar has a School Type of 16: Secondary State District Number. *Numeric, 7 digits*	System Administration > Resources > District Information > State District Number District.number System Administration > Resources > School > School Number School.number System Administration > Resources > School > Type School.type

Elements	Description	Location
School of Attendance	A unique identifier for the school that delivers a majority of educational instruction and services and is where the student attends. A District-level school entity should use the State District Number for the State School Number. If the CDS Number is populated on the School editor, that value reports. *Numeric, 7 digits*	System Administration > Resources > School > State School Number School.stateSchoolNumber --- System Administration > Resources > School > CDS Number school.CDSNumber
School of Attendance NPS	Reports the last seven digits of the NPS School Code if available on the student's enrollment record. Otherwise, reports a blank value. *Numeric, 7 digits*	Student Information > General > Enrollment > NPS School Code Enrollment.npsSchool
Academic Year ID	A unique identifier assigned to a specific Academic Year. An Academic Year is the period during which school is in regular session and provides a required number of days of instruction. A value of 2019-2020 reports for an enrollment record in the 2018-2019 school year. *Date field, 9 characters (CCYY-CCYY)*	System Administration > Calendar > School Years > Start Year/End Year Calendar.schoolYear

Elements	Description	Location
SSID	The unique identifier for the student assigned to or by the first California district in which the student is enrolled in accordance with CDE established standards. This number follows the student from school to school throughout his/her K-12 career. *Alphanumeric, 10 characters*	Census > People > Demographics > Person Identifiers > State ID Person.stateID
Local Special Education Student ID	This field reports blank.	N/A
Reporting SELPA	This field reports blank.	N/A
Education Program Participation Type Code	Reports a value of 10 when the student is assigned a Program/Flag with a State Code of 113. Reports a value of 20 when student is assigned a CTE Program record with a Pathway Completion Date between July 1 and June 30 of the selected calendar. *Numeric, 2 digits*	Student Information > General > Flags Program.code Student Information > General > CTE CTEStatusCA.completionDate

Elements	Description	Location
Postsecondary Status Code	Reports the Postsecondary Status Code assigned on the student's Graduation record. This field on the Enrollment record allows for multiple selections. In this extract, one row reports for each code assigned to the student. *Numeric, 3 digits*	Student Information > General > Graduation > State Reporting Graduation Fields > Postsecondary Status Code Graduation.postSecondaryCode
Educational Institution Type	The Educational Institution Type lists the type of educational or training institution based on the institution's tax status. *Numeric, 2 digits*	Student Information > General > Graduation > State Reporting Graduation Fields > Educational Institution Type Graduation.eduInstitutionType
Industry Field	Indicates the desired sector that best represents the field in which the respondent is employed, or the field in which the respondent will potentially be employed upon completion of the educational or training program where they are currently enrolled. Reports the code assigned to the selected industry when the Postsecondary Status Code is 200, 210, 220, 300, 310, 320, 330, 340, 350, 360, 370, 910, 920, or 9. *Numeric , 3 digits*	Student Information > General > Graduation > State Reporting Graduation Fields > Industry Field Graduation.employabilitySkills
