Report Logic

All students in grades 6 through 12 (grade levels must be mapped to a State Grade Level Code) who have an active enrollment at any point during the year and who are enrolled in a course at any point during the school year report.

- One record per student reports for every course in which the student is enrolled if that course includes a Grading Task marked as State Reported AND the student has been enrolled for at least six weeks OR has received a score for the course.
- If a student moves from one section of a course to another section of the same course, the final section roster record reports.

When the **Migrant** checkbox is marked on the report editor, all students in grades 6 through 12 (grade levels must be mapped to a State Grade Level Code) who have an active enrollment at any point during the year that has the Migrant checkbox marked on the enrollment record and who are enrolled in a course at any point during the school year report.

- One record per student reports for every course in which the student is enrolled if that course includes a Grading Task marked as State Reported AND the student has been enrolled for at least six weeks OR has received a score for the course.
- If a student moves from one section of a course to another section of the same course, the final section roster record reports.

Students do not report when:

- They are enrolled in a grade level that is marked as State Exclude.
- Their enrollment record is marked as State Exclude or No Show.
- The calendar of enrollment is marked as State Exclude.

Teachers, Courses and Sections do not report when:

- The Course is scheduled into a Non-Instructional Period.
- The Calendar is marked as Status Exclude.
- The Course is marked as Exclude.
- The Course does not have a Grading Task marked as State Reported.
