Title 1 Extract

Report Logic

Students who qualify for Title 1 Services at any point during the reporting school year report.

One record is reported for all students who have a Title 1 Service record associated with the school selected in the report editor and enrolled in the selected calendar year. If a student has more than one eligible Title 1 Service, only 1 record is reported.
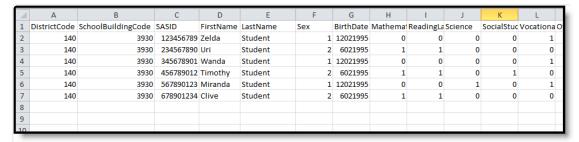

Report Editor

The following fields are available for selection on the Title 1 Report Editor.

| Field	Description
Report Legal Name	When marked, the student's name and gender report from the Protected Identity Information section on the student's Identities record.
Format	The School Association report can be generated in either CSV or HTML formats.
Ad hoc Filter	Select a saved ad hoc filter to only include those students in the filter in the report, assuming those students meet the reporting logic and business rules of this report.
Select School Year	Select a school year in which to generate the report.
Calendar Selection	At least one calendar needs to be selected in order to generate the report. Reports can be selected by Active Year, School or Year.
Report Generation	The extract can be generated immediately using the **Generate Report** button. Or, use the **Submit to Batch** button to select when the report is generated. See the Batch Queue article for more information on this functionality.
