[General Enrollment Information](#) | [State Reporting Fields](#)

**Classic View:** Student Information > General > Enrollments

**Search Terms:** Enrollments

The Enrollment tool displays all occurrences of a student's enrollment in the district. Because this is a historical view, this list could be long.

By default, the enrollments are listed by grade level first, then by enrollment start date. To reorder the list of enrollments, click the blue hyper-linked headers in the Enrollments Editor list. Enrollment records can be sorted by Grade, Calendar, Start Date or End Date.

See the core [Enrollments](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

The screenshot shows the 'Enrollments' page in Infinite Campus. At the top, there is a search bar and navigation links for 'Student > General > Enrollments'. Below this are buttons for 'Save', 'Delete', 'New', 'Print Enrollment History', and 'New Enrollment History'. The main area is titled 'Enrollment Editor' and contains a table of enrollment records. The selected record is for Grade 08, Type P, at Colfax Middle 19-20 (8th Grade), starting on 07/01/2019. Below the table is the 'General Enrollment Information' editor, which includes fields for Calendar, Schedule, Grade, Class Rank Exclude, External LMS Exclude, Start Date, End Date, End Action, Service Type, Local Start Status, Local End Status, State Start Status, State End Status, Start Comments, and End Comments.
