The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

The current formats of the Idaho Evaluation Summary Report (ESR) include:

- [ID ESR 2018](#)
- [ID ESR 2018 Reevaluation/Redetermination](#)
- [ID ESR 2018 SLD](#)

Evaluation formats are selected in [Eval Types](#).

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation team report, including the documentation of eligibility, is given to the student's parents by the school district.
